Ca' del Poggio Restaurant

...in the heart of the **Prosecco Hills of Conegliano and Valdobbiadene**
UNESCO Heritage

Here the Prosecco joins the sea. Ca' del Poggio Restaurant&Resort
perfectly combines the two souls of Stocco family,
the seafaring one and the hilly one,
revisiting the tradition with a sense of modernity and elegance.

The restaurant provides a **seafood specialty menu**,
however we always offer a valid meat-based
alternative, and menus attentive to food intolerances
and habits of guests.

Open for lunch and dinner, upon reservation
